PARTICIPATORS in "David's Parade" are shown on their way down Southgate avenue to the reviewing stand where Mayor Joseph J. Verducci and the city council await their coming. Here are Westlake Beavers, who joined the parade on the way to a baseball game the same afternoon; Secretary Helen Orman in a Victoria lent by Mar Vista riding academy for the occasion; boy scouts, and the Vista Grande National Guard 55-man marching unit and color guard. The parade wound up at the Westlake clubhouse where awards were made and an ice-cream and cake party followed.

DAVID SAYS PARADE IS 'TOPS'

More Than 500 Trek Through City Streets
(Additional parade photos page 5)

"What a wonderful day." So sighed David Allen Steward Saturday after leading his own hour-long parade of some 500 participants through the streets of Westlake.

David wasn't alone in his sentiments either, because it's now a proven fact that everyone loves a parade. And "David's Parade," which turned out to be the biggest parade in the history of Daly City with only a week's preparation, was generally agreed to be the "greatest ever."

The boy's dream parade was first brought to notice by this paper when an article appeared telling of how David phoned this office in order to place an ad to recruit people to join his parade. In less than a week volunteers had made the 13-year-old's dream possible.

"Something as wonderful as this could only happen in the United States and in Daly City," Mayor Joe Verducci told this paper. Incidentally, the mayor, who served as master of ceremonies for the event, looked almost as excited as David throughout the festivities.

The 13-year-old instigator of all the excitement led off his parade just a few minutes after post time of 1 p.m.

Sally Leads
Wearing a brand new boy scout uniform and mounted on a handsome sorrel mare, David smiled approval at all the participants behind him, patted his horse, Sally.

MANY PERSONS, ORGANIZATIONS LEND DAVID HAND
A small boy's dream of a parade was made possible because grown-ups volunteered to help. Without the assistance of many people and organizations, "David's Parade" would never have materialized.

Besides the organizations who actually entered the parade, David received much behind-the-scenes help. His party was made possible by the Westlake Improvement Association which donated the clubhouse for the occasion.

What's a party without refreshments? So ice cream was donated by the Borden company and cake by Henry Doelger.

A garland of roses to crown "Little Miss Daly City" was donated by the Tanforan Floral shop.

David needed a horse and his secretary needed an old-fashioned victoria. The Mar Vista Riding Academy provided both along with prizes of free riding lessons.

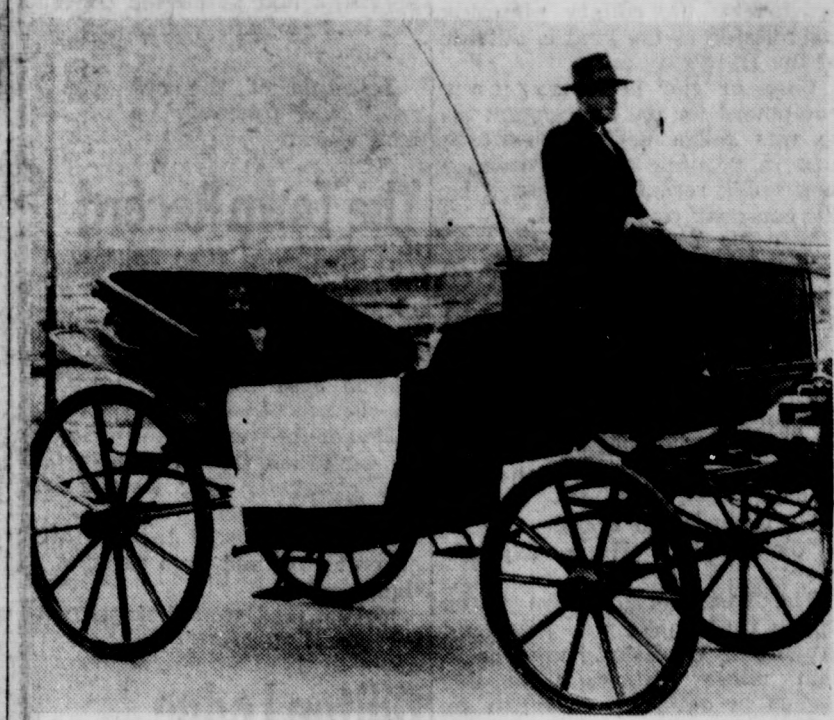

The city council backed David to the hilt. Besides issuing an official proclamation, members served as a board of review for the occasion, and donated money for prizes and a trophy for "Little Miss Daly City."

At Monday night's council meeting a letter from David, which was dictated to his secretary Helen Orman, was read aloud. The letter, interspersed with four expressions of "thank you" told the council that the parade was "great." It was signed "your friend."

The above letter is the first in a series of letters which David is now busy dictating.

"I intend to thank each and every person and organization who helped my parade," David told THE RECORD this week.

The boy also will write letters to the following: King's Market, \$25 merchandise order; Tom Callan, \$25; Westlake Shopping Center, \$25 worth of merchandise; Town and Country Food Center, a \$30 case of coffee; Westlake Improvement Association, \$10; Daly City Drug store, \$5; and Westlake Liquor store, \$5; Daly City Chamber of Commerce, \$25.

"DAVID'S SECRETARY" holds an honor position in the parade as she rides in a 50-year old Victoria through Daly City streets. Helen Orman, 9 year old daughter of Mr. and Mrs. Charles Orman, threw flowers to on-lookers during Saturday's festivities. This proved to be only a brief respite from Helen's regular secretarial work for she is busy this week taking dictation from her boss, David Steward. The pair are writing "thank-you" notes to all those who helped the boy make his parade a success.

DC PLANNERS HOLD LAST MEET FOR A WHILE

Application of Mrs. Sally Hink for permit to board two persons at her home, 277 Wilshire, was referred to the city attorney Tuesday night by the Daly City planning commission.

Commissioners said that they have no power to issue permits for boarding houses.

Mrs. Hink's case was before the city in March when Westlake subdivision residents charged that she was boarding seven people at her home, which is in an area zoned for single-family dwellings.

The commission considered application of Henry Doelger, Builder, for annexation of undeveloped property in Tracts 4 and 5. They voted that the property should be annexed and forwarded their decision to the city council.

A discussion of the proposed subdivision ordinance set for Tuesday was postponed because city department heads had not completed their study of the statute.

No further meetings of the planning commission can be scheduled until the council fills two vacancies on the group.

Fred Bertetta, chairman, was removed from his job by the council Monday and William Pinney resigned from the commission last month.

HILLTOP LODGE CUSTOMER TIES FOR RECORD FIVE
A second Hilltop lodge customer piled up five counts against himself last Saturday night.

Edward S. Riley, 41, stevedore foreman, 3308 Telegraph avenue, Stockton, is scheduled to appear before Judge Thomas L. Bocci next Tuesday at 10 a.m. on five charges. They are disturbing the peace, resisting arrest, being drunk, and assault and battery, according to a police report.

Last month police were called to the same establishment to pick up another five-count customer, Gordon Kappes, 27, 180 De Long street, San Francisco. Kappes was given a \$150 fine and a suspended sentence of 20 days in the county jail on condition that he stay out of Daly City during a probationary period of 120 days.

Riley also stands to be given a stiff sentence as Judge Bocci in a joint release with Police Chief Roland Petrocchi on July 22 declared that he is cracking down on persons found guilty of drunkenness and disturbing the peace.

Officer John Coleman arrested Riley when the Hilltop lodge customer allegedly began using profane language and generally displaying a bad attitude.

FILL-COVER COSTS NECESSITATE JUMP

A 30-cent monthly rate increase granted the Daly City Scavenger Co., Inc., Monday night by the city council will bring local residents' garbage bill to a 65-cent a month starting September 1. The present rate charged residents is 35 cents.

Billing is now done bi-monthly and the total charge is 70 cents. New bi-monthly bill will be \$1.30.

The scavengers based the need for a higher rate on "increased operating costs, need for the replacement and modernization of equipment and the leasing and developing of a new site for garbage and refuse disposal."

The new five-year contract stipulates that the city will pay the 25-cent balance of the total 90 cents per month charge. From this the city will receive 10 cents for handling the Scavengers' billing. Under the old contract the city put up 25 cents of the 60 cents total bill and received 7 cents for billing.

In asking for the increase, Accountant Robert Hunter explained that a new county health ordinance prohibiting feeding uncooked garbage to hogs and requiring burying of garbage will increase the cost of garbage collecting tremendously. The new ordinance goes into effect on October 1.

Ordinance Increases Costs
"The ordinance was passed to prevent V.E., a hog disease much like hoof and mouth disease in cattle, and to control the smog situation," the accountant declared.

Mr. Hunter added that 60 percent of V.E. disease in California is prevalent in San Mateo county. The local ordinance was passed as a result of measures taken by the Federal Department of Agriculture.

"It would bankrupt the company if the new contract with the city had not been signed," Hunter told this paper today.

Another reason given by the Scavengers for the raise is the fact that cost of transporting the garbage is increased as the tentative new dump site is located four miles farther than the one

Doing away with transfers on the No. 56 for the some 189,943 persons who annually ride that line from downtown to the cemeteries on transfer privileges is expected to save the city \$1,281,112.

The next highest month this year was June with a total of 93 permits issued and a \$1,079,199 total building cost.

During the seven months this year a total of 680 permits have been issued and a figure of \$5,952,735 is listed as the cost of building.

Trustees Award Bids On Two Multi-Use Rooms
Bids for constructing multi-use rooms at Crocker and Jefferson elementary schools were awarded Thursday night by the Jefferson Elementary School district board of trustees.

Contract on the Jefferson job went to Joel Johnson & Sons, whose figure of \$96,457 was low. Ralph Larsen & Sons won the Crocker job, with a low bid of \$123,513.

Eighteen bids on the two jobs were opened two weeks ago, but held over because one firm, Martinelli company, accidentally switched their bids for the two projects.

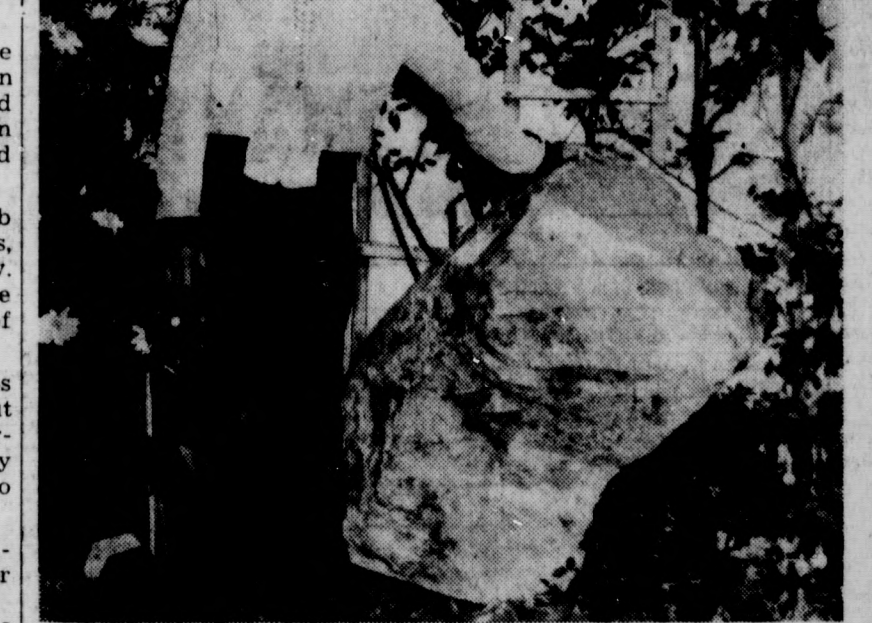

Trustees approved the \$1,608,715 budget for the fiscal year 1954-55.

In other action a revised site usage plan for Vista Grande school was signed by the board.

Chamber Announces Thursday Speaker
Fred Jacobson, manager of the Central Coast Council, California State Chamber of Commerce, will be guest speaker at Thursday's regular open meeting of the Daly City Chamber of Commerce at Lake Merced Country club.

Jacobson's topic will be, "What a Chamber Means to a City."

CLOSE CALL — Bobby Field, son of Mr. and Mrs. William Field, 129 East Vista, won't use this stone in his slingshot. The one-ton rock hurtled down off the hills in back of East Vista last week, landed smack dab up against the Field residence. Mrs. Field who was looking out the window (upper left) stood petrified as boulder thundered down toward her home, stopped suddenly against wall of stucco building. The stone, third one to

land in the Field property, rolled off a rock-pile owned by H. H. Smith Sr., former Daly City mayor. Mrs. Field said she has contacted her attorney and intends to take legal action against Smith. She appeared before the city council Monday night to ask if something couldn't be done to protect her life and property. City Attorney Frank Blum said he would investigate and see if the rock pile constituted a public nuisance.

FOR WESTMOOR HIGH

Set \$1,600,000 Bond Election For October

A \$1,600,000 bond issue will be placed before the voters of the Jefferson Union High school district at an election October 5, it was learned today.

Revenue from the bonds will go toward construction of the \$2,000,000 Westmoor High school, to be located on Skyline boulevard just south of Edgemar road.

If approved, the bonds would add an estimated 19 cents per \$100 valuation in district taxes, Superintendent Stanford Hannah said.

This means that a homeowner whose residence is assessed at \$2000 would pay annually about \$3.80 to finance the bonds.

The October bond election will mark the third ever held by the high school district.

'51 Bond Approved
In 1951, voters of the district approved an issue of \$1,300,000 for site purchase and initial work on Westmoor.

Of this money, \$832,000 still remains, Hannah said.

The balance was used in the purchase of two sites and the erection of new buildings on the present site. One site is on the north edge of Sharp Park while the other is the Westmoor location.

According to the board of trustees, \$150,000 of the '51 bond money will be required for site development, including surveys, grading, running a water line from school owned property in Colma, drilling a well and sewer connections.

Another \$150,000 will go for architect's fees, the board explained.

Leaves Half Million
"This will leave only \$500,000 of the 1951 bond issue for actual construction on Westmoor," Hannah pointed out. "However, we can use about \$300,000 from the

He bit the hand that fed him. A former Daly City resident, known only as Lucius, died last week after first biting Mrs. Everett F. Asaro of 65 Fieldcrest drive while she was attempting to feed him.

Mrs. Asaro explains that Lucius was not feeling well at the time so she called local police who carted poor Lucius off to the city pound where he died. Police are now waiting a report on an autopsy which is being conducted at the University of California.

The victim of the attack reports that she is feeling fine, but that her son misses his pet rat.

ALEMANY SIGNALS PUT INTO OPERATION

Traffic on Alemany boulevard in Westlake began moving in an orderly fashion Wednesday as the \$85,155 three way traffic actuated signals were turned on.

R. L. Richardson, district highway engineer, said "We're satisfied with the operation of the signals. Traffic is now flowing smoothly and road conflicts which had existed at the two intersections are now eliminated."

The traffic control system is unique in northern California, being the only inter-connected, traffic actuated signals in three phases—that is providing for left-turn traffic.

"We'll still have to make a few minor changes to adjust the signals to the traffic pattern, but for all practical purposes they are operating at peak efficiency," Richardson stated.

Howard Blumer, resident engineer, said, "The signal project is completed with the exception of

some maintenance work on the ice plant."

The project is expected to be accepted by the state as formally completed in early September, Blumer added.

"It's quite a contrast to watch the flow of traffic now as compared to the time when there were no signals here," Blumer said.

The signals are controlled by the number of vehicles travelling over the treadles which operate the master controller.

Thus, flow of traffic in heavily travelled lanes will be allowed to proceed until there is sufficient traffic in opposing lanes to activate the master controller.

The Alemany section of highway has long been a dangerous thoroughfare. Residents of the area appealed to the state division of highways to install signals there after several serious accidents had occurred over a period of years.

and started down Crestwood drive past his own home. Marion Goldfinger and Mary Lemon rode with David to check that all went well.

"Anchor Aweigh" blared forth from the United States Naval Electronics school band, and the parade was underway.

Five majorettes, leading the navy band, threw their batons high into the air and started off after David. The girls, who are taught by Mrs. James Sunderland, wife of a local police officer, are members of the award-winning Peppercettes.

Next came an impressive color guard and 55-man marching unit of the Vista Grande National Guard platoon. The boy scouts and cub scouts filed by next with color guards, marching units and more pretty majorettes.

"David's Secretary"
A 50-year-old victoria carrying Miss Ileen Orman, David's secretary, pulled gayly around the corner. Miss Orman, dressed in a royal blue costume, threw flowers to the viewers who crowded Westlake streets.

Following the victoria came children in costume and floats. A black bat, two balloon clowns, an angel, and a blackbird all strutted down the street to the strains of the martial music. Archers and tumblers from the Recreation department showed their stuff.

Realism was provided for the occasion by 3-year-old Bruce Steibach who portraying "Little Blue" as a sleep on the hay, slept all the way through the parade on his hay-stacked float.

"It was time for his nap so he just went to sleep," his mother, Mrs. Robert Steibach, explained later.

Donkey Wears Carnation
A donkey with a carnation in its bridle pulling a 75-year-old hearse bearing six Westlake children filed by next. There followed a British sports car towing two coasters, a car towing three miniature covered wagons, a car bearing the Westlake Beavers baseball team and eight horseback riders in gay riding outfits.

A spokesman for the riders said that when David called at the stable for his horse, he asked if there was anyone there "who would like to be in my parade."

Delegates from the Veterans of Foreign Wars marched past followed by their fun group, who drew laughter as they prouetted about on their miniature bicycles.

Not Without Music
While the rear of the procession lacked a band, it was not without music Joe Lewkowicz' sound truck provided gay music for the marching feet.

Following the sound truck came Daly City's most impressive equipment. Bright shiny red fire engines followed Fire Chief Kennedy and his family who rode along in the chief's car. A brand new green garbage truck followed by a gigantic orange earth mover ended the parade.

The parade filed past dignitaries of the city council who stood on a flagged reviewing stand on Southgate near Park Plaza avenue. David pulled on Sally's reins and stopped a minute to wave to his new friends, whom he later pronounced as "swell guys."

"Better Next Year"
Then leading the parade up to the Westlake clubhouse, he reined his horse again for the last time of the wonderful day and forecast "an even bigger and better parade for next year."

Council members arrived a few minutes later and setting up an impromptu reviewing stand with the aid of the fire truck, they announced awards and chose 3-year-old Robin Ramus "Little Miss Daly City."

Robin, who was crowned with a garland of pink roses and presented a trophy by David, is the daughter of Mr. and Mrs. Victor Ramus of 37 Lake Vista avenue.

First Award To School
First float award went to the Vacation Bible school at Broadmoor church of the Nazarine who entered the winning covered wagon float at the last minute. The \$25 cash award will go towards the school fund, according to Reverend Lowell Coe.

The Ocean Shore Railway float, built from a hearse, was awarded second prize of a \$25 merchandise order from King's market. Children on the float were Bruce and Barry Wilson, John and Judy Moore, Barbara Verducci and Susan Banchi.

Third prize of a \$15 cash award went to "Little Blue" float. Sleepy Bruce Steibach, his sister Diane Scheibach and Robbie Smice collected the prize.

Twins Chuck and Bob Murray, 8 walked away with fourth prize of \$10 cash. The boys were cleverly dressed as big, fat clowns.

Lynn Mosgrove and Andrea Conway took the fifth award of a \$5 merchandise order from the Westlake Shopping center. The girls were on an angel float.

Eight children from the 900 block of Wildwood won sixth prize for their float. They were Shirley Ann, Linda and Billy Robinson, Susan Garnett, Davis Kruger, Rob in Prenovitz and Eileen and Richard Palmieri.

Party With Awards
A recreation department float entitled "A Busy Child is a Happy Child" won seventh prize. The money will be used for an ice cream party for all the children who built the float.

The recreation department also pulled through on the next award when representatives Margie Jones and Joan Malloy placed eight and ninth for their portrayal of a nursemaid and baby.

A special prize of a case of coffee was awarded to the winner of a yet-to-be-scheduled game between the Westlake Rockets and Beavers. Another special award of \$5 went to majorettes of scout troop 63, Sally and Doris Sigert and Karen Bradshaw.

David Given Award
Council members also gave a \$5 award to David for his efforts in promoting the parade.

Princesses for Little Miss Daly City were chosen from the following candidates: Susan Sawhill, Rita Elberti, Rose Marie Staveal, Shirley Robinson, Andrea Conley, Francis Flores, Vicki Corber, Janice Eberg, Connie Benderman, Janet Cuniberti, Gail Land, Darlene Lewkowicz, Connie Larios, Charlene Smitzer, Susan Lester, Robin Prenovitz, Anne Mulcrevy and Revonna Rice.

now in use.

Burying Adds
"Besides transportation cost, 60 to 75 tons of garbage a day will have to be buried on the new site," Hunter continued, "and digging trenches is an expensive proposition." He explained that 15 cents of the new rate will cover fill and cover costs.

The ordinance stipulates that the trenches must be covered with a foot of dirt in order to prevent smog. Improvement work on the proposed site also must be done in order to pass health regulations. Hunter estimates that the Scavengers will have the new site ready in 30 to 45 days.

The site still stands to be approved by the county planning commission as the land is outside of the Daly City area.

Cost of the necessary new equipment for the Scavengers also was taken under consideration in granting the increase. A new truck recently purchased by the company cost \$6349.04.

No Turn-In Value
"There is no turn-in value on an old garbage truck," explained Scavenger President Al Sereni, "because when we finish with a truck, it's through."

The Daly City Spring Clean-up week also was a factor in the raise, Hunter explained, that this service is worth \$2500 to the city alone.

"It amounts to double service by the company," Hunter explained.

The final consideration taken up by the council was the rapid growth of Westlake. Hunter said that while garbage from 400 homes in old Daly City can be collected in a day, only 250 homes can be covered in Westlake. He blamed the slowdown primarily on the fact that the homes are more "spread out" in the new subdivision.

There was some opposition to the proposal by Supervisor Dewey Mead, who said it was "a crime Daly City officials couldn't see fit to guarantee San Francisco at least the \$198 estimated loss."

Despite his sentiments on this aspect of the proposal, Mead later went along with the other supervisors and voted for continuing service here under the new set-up.

This time the stevedore succeeded in breaking Van Otten's watch and in bending Sergeant Benedetti's police badge in the struggle, police said.

Riley, after spending the night in jail, was released on \$200 cash bail the following day.

general fund if necessary.

"This makes a total of \$800,000 for actual construction purposes," Hannah added.

"If the October bond issue is successful," said board chairman Mrs. Anna Eason, "we will complete 27 classrooms, a library, offices, several shops, a gymnasium and the fine arts building."

Without the bond revenue, Mrs. Eason said the district can complete only about 20 classrooms, two shops, a boiler room, the offices and a library.

More Economical
According to the board of trustees, "After much time and study on the problem we believe it will be more economical to include the gymnasium, cafeteria, and fine arts building on the original contract."

Preliminary plans for the new school are practically completed, but construction plans will require several months more work.

The school administration expects a contract to be let by April, 1955 and the school will be opened in the fall of 1956.

By this time enrollment in the high school district will hit 1900, trustees claim.

The Westmoor school will have a capacity of about 1500 students, the board said.

Two-thirds OK
October's bond election will have to be approved by two-thirds of the district voters.

Hannah was optimistic about the bonds' chance for success. "A school bond election has never failed in either the local high school or elementary district," he stated.

"I think the people realize that the area is growing so rapidly the schools are a necessity," he concluded.

If the bond is approved, it will bring the total district tax rate to approximately \$1.36. The present rate is \$1.05 for general purposes, plus 12 cents for bond redemption.

"The Red Mill" cast is composed of young people from the ages of 16 to 27 years. The amateur artists are chosen from all peninsula communities. This year Director Howard Kay reports that the Victor Herbert musical cast was picked from a record-breaking 150 applicants.

Tonight (Friday) the operetta will be presented again. All proceeds will go to the emergency polio drive which is now being conducted. Tickets are \$2 for the special performance. The show will start at 8:15 at the San Mateo High school auditorium.

Miss Moro also reports that members of the musical cast will be featured in the dedication of the new International airport on August 27. The Daly City girl, who is employed at the local Bank of America, is tentatively scheduled to sing "The Moonbeam Song" from the Victor Herbert operetta.

The local singer hopes some day to graduate to operatic music, and will audition with the Dr. Adler chorus of the San Francisco Opera company in the near future.

She is a graduate of Balboa High school and has studied music for five years under Mrs. Edith Ford Kendall of San Francisco.

DC Theater Refused "Clemency" Plea By Council BOE
The city council Monday night, meeting as a board of equalization, refused the request for a "plea of clemency" on property assessment by James Stanton, representing the Daly City theater.

Stanton made his request July 19 at a regular council meeting. He then explained that the theater is operating only three days a week, but is currently negotiating to convert the building to a super market or bowling alley.

Councilman Sanford Vickers explained the council's position by stating that the board of equalization is a "legislative body."

"We are setting a precedent," Mayor Joseph J. Verducci added, "and we can not fairly lighten the load for only one business because it is not making money."

Stanton retorted that the theater would be a "pile of junk" within six months if the council's decision forced the building to be shut down.

He also alleged that the city assessment of \$13,000 is unduly high compared to the county assessment of only \$3500.

"Our equipment, when it goes out, won't bring more than \$4000," he declared.

In answer to a question by Councilman Michael DeBernardi, Stanton said that the theater building has not yet been leased.

The council refused to change the decision, and Stanton left the meeting with the parting words that "the building will not be worth nearly as much if it is abandoned."

Barbara. Ciampi's property is located between Vista Grande and Parkview avenues, with about 65 foot frontage on both Mission street and Santa Barbara avenue.

The Mission frontage has already been zoned commercial and a used car establishment is in operation there.

Santa Barbara avenue residents who appeared at the planning commission meet to protest the rezoning, were apparently afraid that some unsightly structure might be erected there.

TWO KNIFE WIELDERS ROB DRIVER HERE

A San Francisco man was robbed of his ring and watch worth an estimated \$1100 Monday night when two knife-wielding assailants entered the victim's moving car at San Diego street and Knowles avenue here.

Grove L. Fink, 50, a public accountant of 1910 45th avenue, San Francisco, told police that he had stopped at the arterial sign at the intersection when the two men forced their way into his car. The victim was driving north on San Diego shortly after 9 a.m.

A man suddenly opened the driver's door, Fink said, and shoving

a spring-knife into his ribs said, "Move over, buddy."

Following the first man's entry, a second man opened the other door and sat on the other side of Fink. This man also threatened Fink with a knife, according to the victim.

The two abductors took the car down a couple of blocks on Mission street, removed Fink's diamond ring and wrist watch and then stopped the car.

Warning Fink that "we'll cut your guts out if you try anything," the pair took the car keys and walked toward Junipero Serra boulevard.

DOWNTOWN ORIGINALITY

It is accepted practice with some newspapers to glom on to somebody else's story, take it to their breast and claim it as their very own.

In the instance of David's Parade held last Saturday, one publication employed this self-flattery with almost arrogant disregard for the facts.

One of THE RECORD publications printed the original story of the 13-year-old youngster who wanted to treat himself to a parade. This story, written by Nancy Lamb, was the prime mover, along with hard work by David Steward and associates.

A full week after publication of this human interest item, a downtown paper came out four-square with their own story, claiming it was one of their columnists who had started the parade rolling by mentioning it the previous day.

Other publications neglected to mention that it was our paper which "scored the beat" on the article, but at least they didn't take credit for it themselves.

We like a pat on the back as much as the next newspaper, but we're not going to print a week-old story and then try to deceive our readers into thinking it's a bonafide stop-the-press original.

IT'S FREE, GENTLEMEN

It'll be time for an anniversary one of these days, but it won't call for a celebration.

Last year the Doelger firm announced that they would construct a \$25,000 clubhouse in the proposed Westlake park and donate it to the city.

The city accepted the gratuity with open arms and hallelujahs. We'll get right on it, said they.

All the city forces were called in for skull sessions, i.e., architect's drawings, preliminary sketches, etc.

On January 18, a Doelger representative said "We're ready to go ahead with construction of the clubhouse as soon as the city submits specifications."

After all the special meetings, field trips and other incidentals germane to such projects, we'd think the city would have decided what kind of a building they wanted and where they wanted it.

If they have, they're keeping it a secret or maybe they don't know the building is being donated.

Ridgley Cummings Reports

ADRIFT ON A FREEWAY

You may have driven a car for years, but you haven't really lived until you've run out of gas on the freeway.

A freeway, I might interpolate, is a wide stretch of concrete over which an assemblage of maniacs with accelerators pressed to the floorboards scurry as fast as the miracle of internal combustion allows.

As a resident of three years' off-and-on duration in Los Angeles, I am practically an expert on freeways. They have no terrors for me. I've watched them grow, particularly the Hollywood freeway, which is the one on which I run out of gas.

It was like the old story of the animal trainer who, because he knew the lion as a cub, allows himself to become incautious. I had watched the Hollywood freeway expand from a gleam in former Mayor Brown's eye to a brief ribbon tentatively extended a few miles west of Civic Center. Gradually it elongated, like a python stretching in the sun, passing Vermont avenue, Western Sunset and finally Hollywood Boulevard, where movies stars took part in ceremonies opening it to the public only last spring.

Sinister Misadventure
Since then this particular expanse of high speed roadway has been connected with another leading into the San Fernando Valley. And it was on the way to the Valley that I had my sinister misadventure.

Just recently an ancient used car, a huge vehicle that can carry eight or nine passengers, has come into my possession, and ever since I acquired wheels my weekends have been dedicated to driving an increasing number of friends and relatives to ever more distant points of interest.

Our destination this time was Forest Lawn, a cemetery about which books have been written so I will say no more except that it is reputed to exhibit Philistine "art" at its worst. I still haven't seen it.

As usual on these expeditions, the car was loaded to the gills, mostly with women and children though in the front seat with me was an old friend named Leo. We had by-passed Hollywood and were well into the Valley when I noticed an ominous sputtering and loss of power.

I pumped the accelerator but the car inexorably continued to slow down.

Oh-Oh
"Something's wrong," I said to Leo.

"Pull over to the right, quick," he urged.

The traffic was heavy and I barely had storage way but I made it through indignant, speed-mad drivers to the right hand side of the road before the motor quietly died.

"You're out of gas," Leo announced.

"But the indicator says a quarter full," I protested.

"It's probably broken. When did you buy gas last?"

"Couple of days ago."

Cars were whizzing past us a mile a minute and much faster. Some of them didn't turn out of the lane which we obstructed until the last minute. As I watched them in the rear view mirror I began to worry for the kids in the back seat.

Up ahead to the side of the freeway was a rockpile and a forlorn stump of a tree. I turned on the ignition, coaxed the starter, pulled out the choke, trod on the accelerator, and managed to get a feeble cough out of the motor. It was enough to pull us up as far as the rockpile.

Everybody Out
"Everybody out," I announced and the kids scampered out the right hand doors. I went out by way myself, for the cars were precutting past uncomfortably close on the left.

One of the women attempted to find a seat on the rocks and that gave me an idea. With Leo's help I pulled out the two car seats and adjusted them for comfort on the ground. For the glove compartment I took out a few magazines which I hadn't had time to read since I bought the car and distributed them to the ladies. The children were happy, dashing around collecting rocks in the sun.

As soon as everybody seemed safely stowed for a little wait, Leo and I took stances near the car and tried to hitch a ride. Leo was frowning with anxiety and I admonished him to try to look pleasant. Some hundred or so vehicles passed us up like poison, but there were so many of them that we were confident somebody would pick us up.

Finally, Someone
Someone finally did, a little wizened old man in a trolley almost as old as my own. He slowed down and pulled to a stop in front of my car.

"Thanks a lot," I said, trying to open his door. It was locked. The old man inspected us suspiciously. He rolled down his window a crack.

"Where you boys going?" he asked.

"Just to the nearest gas station."

My Mad World

By Leonore Brewer

During the past two years we've written a lot of words about musical events we've attended, and without exception they have been held in San Francisco, never in Daly City.

If you are a faithful reader of this paper you will know that Daly City is now going to have its chance to have concerts of its own. Details of the Vista Grande Community Concert association have been carried in previous issues of the paper. Mention has been made of the two contests which are to be held in connection with the concert drive, and the names, addresses and telephone numbers of public-spirited citizens who have volunteered to organize these concerts have already been given.

Most of the people we have spoken to feel that local concerts would be an asset to Daly City and that they are just as important in civic life as are organized charities, libraries and churches.

However, we have run across one objection to the idea and that is the feeling that the musically minded are going to go into San Francisco for what they want, and with the vast cultural treasures of that city so close, concerts given locally are not going to have too strong an appeal.

Well, that's like saying that just because San Francisco has half a dozen first-run movie houses plus art theatres and a goodly supply of neighborhood movies that we shouldn't have a local movie house because no one will attend it. The reverse is actually true; many who don't get around to making the effort to go into the city will attend the local theatre, and that includes music as well as movies.

Some worry has been expressed as to whether the concerts will be "balanced," or will we end up with three or four string quartets or maybe four sopranos. Subscribers have no worries in this direction. The association's officers will have guidance of the local representative of Community Concerts, Inc., Miss Alma Lauritzen, who has had extensive experience in choosing an interesting and varied musical diet for innumerable Community Concert series.

The drive for membership will be the week of September 13, practically around the corner. Anyone interested in volunteering for this community project shouldn't hesitate to speak up. The more people working for this goal, the more memberships we will obtain; and the more members, the more concerts.

If you want to work on this drive, or just want further information, call PL 5-2847 evenings and weekends.

"I'm a little afraid of hitchhikers but you two look all right," he said. "Ye ain't got no guns, I expect."

"No, we're harmless characters," I replied, waving toward my numerous passengers to vouch for us. They were sitting on the rockpile behind us, taking in the dialogue with interest. "We just want to buy some gas."

A Chance On Ye
"Weel, I'll take a chance on ye," the old man said. He wore steel-rimmed glasses and looked somewhat like Harry Truman. "Both of ye can sit in the front seat where I can keep an eye on ye."

He opened his door and Leo and I got in. We tried to put him at ease, describing in detail our predicament and outlining our plans for bringing gas back. But he merely hummed critically and devoted himself to getting as much speed as possible out of his protesting old car. In a matter of minutes he had deposited us at a filling station near the Burbank turnoff.

Two Bucks Deposit
"Two dollars please, for deposit," the man at the gas pump said.

In return he gave us each a gallon can of gasoline. We started the long and dangerous hike back, walking against traffic, from time to time jumping for our lives from the smooth roadway to the refuge of the dusty gravel-lined border.

We used one can of gas for the tank and part of the other to prime the carburetor. My aged motor responded to the transfusion and we held our breaths watchfully, hoping that the motor wouldn't die, while we put the seats back in place and loaded up again.

The rest of the voyage was successful. We made it to the gas station, where we turned in the cans and spent my deposit money buying more gas. It was too late by now to get in the gates of Forest Lawn so that project was deferred to another Sunday.

We had had enough excitement for one week. We had been adrift on the freeway, and survived.

Pvt. Holt Participates In Field Maneuvers

AUGSBURG, GERMANY — Pvt. James R. Holt, 18, son of Mr. and Mrs. Joe R. Holt, 104 Hanover street, Daly City, California, was a participant in the recently completed maneuvers held in southern Bavaria by the 5th Infantry Division's 11th Regiment.

Taking place during some of the worst weather Germany has had in years, the maneuvers tested the combat readiness of the unit under realistic fighting conditions.

Private Holt, a communications specialist in the Heavy Mortar Company, has been in Europe since January of this year. He entered the Army in August 1953 and completed basic training at Fort Ord.

LOCAL SERGEANT AWARDED MEDAL FOR OUTSTANDING DUTY

Sergeant Donald M. Andersen, 22, son of Mr. and Mrs. Charles Andersen of 256 Willis street recently received the commendation ribbon with metal pendant for outstanding service while serving in Korea.

The awardee has served in Korea since July 26, 1953 as operations clerk and draftsman in the Graves Registration division. The award was presented by Colonel William E. Ela.

Unusual ability, outstanding initiative and constant devotion to duty earned him the respect and admiration of all those with whom he served," the citation reads.

Mrs. Andersen, mother of the sergeant, reports that she expects her son home sometime in October.

NEW FIREHOUSE CONVENIENT TO SUNDAY BRUSH FIRE

Location of Westlake's new firehouse on Lake Merced boulevard proved convenient Sunday as the fire engine only had to roll across the street to combat a blaze.

Firemen were alerted at 5:05 p.m. by a brush fire just off Lake Merced boulevard across from the firehouse.

In addition to Company No. 5,

It's scavenger hunt time again and the Miss-haven Teen Club members are sponsoring it. Since last summer's success, the teenagers were eager to have a repeat performance. On August 17 the treasure seekers will gather at the War Memorial Community center at 7 p.m. From there they will search for items which will be secret up to the time of the hunt. The area on upper Mission street and Hillside boulevard will be covered.

If you live in the area and wish to get rid of some old beer cans or a moldy elk head, have them ready because someone will probably have them on their lists," says adviser Ivo Milkovich.

After the scavenger hunt there will be a weenie roast at Marchbanks Park. Those who are interested may sign up at the Community Center now. Sign-ups will be taken up to the time of the hunt.

Tonight the club will hold a dance at the center starting at 8 p.m. A picnic also is being planned by the teen-agers for August 22 at Marsh creek. Sign-ups are now being taken up at the center.

His work has been shown at the DeYoung Museum and the San Francisco Museum of Art, and a previous entry won an award at the 1950 State Fair. In addition, his murals in local buildings have been successfully received.

Westlake, engines from Companies 1 and 2 responded.

The blaze was put under control after burning some 50 square feet of brushland.

News Boy Hurt When He Falls From Bike

A 12 year old Daly City news carrier suffered minor injuries Wednesday afternoon when he fell from his bicycle while delivering papers.

Michael McGovern Jr., son of Mr. and Mrs. Michael McGovern of 142 Westbrook avenue, was taken to Alemany hospital for emergency treatment and later transferred to French hospital in San Francisco. Attendees said yesterday (Thursday) that the boy was released when it was shown that he suffered only bruises and cuts.

The boy claims that he was hit by a newspaper distributor truck while at the intersection of Westbrook avenue and Lakewood drive. Police said that the driver of the truck denies sideswiping the child.

Cold Draft Warns Driver Of Trouble

A cold draft can mean trouble. And it did Sunday morning when Duard Pitts, 33, of Box 153 in Colma, felt a draft from the back of his car, turned around, and saw his woman passenger lying on the road behind him.

Charlotte I. Downer, 27, 838-22nd street of San Francisco, suffered minor injuries when she fell from Pitts' car into the fast lane of north bound traffic on Junipero Serra boulevard. She was taken to Junipero Serra hospital where attendants said she had suffered severe cuts and bruises.

DEDICATION SET AUGUST 22 FOR NEW FIRE STATION

Daly City's new firehouse No. 5, located off Lake Merced boulevard in Westlake, will be dedicated at ceremonies to be held August 22 at 2 p.m., the fire department announced this week.

The \$79,600 building was activated August 2, and is now manned on a 24-hour basis.

Last year you and your newspaper were greatly instrumental in making our Youth Guidance Dance a success. The Post was able to bring to the public, the need for finances which enabled the Post and it's Ladies Auxiliary to organize and maintain various youth activities.

The Post sponsored a new Boy Scout Troop in the Broadmoor Village area, held Teen age dances every month at the Broadmoor Village Community Center, and small fry movies every other month in addition to other planned youth activities.

May we ask your assistance again this year in publishing a few of our articles?

Thank you very much for your past courtesies and for your cooperation and assistance in helping the members of this Post continue its youth program.

EMERGENCY FUND DRIVE FOR POLIO STARTS MONDAY

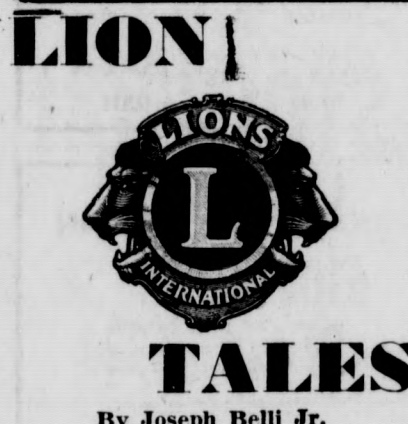

An urgent appeal for funds has been sent out by the Polio Foundation.

Because the national foundation has been depleted of funds, a special emergency polio drive will be launched Monday, and will last through August 31. The drive is being conducted on a statewide basis.

Mrs. Sanford Vickers, chairman of the campaign in northern San Mateo county, said no house to house solicitations will be made. All donations will be on a volunteer basis, she explained.

The city council Monday night pledged \$50 to the drive after a letter from Mrs. Vickers was read.

Contributions may be sent to Mrs. Vickers, or to the Polio Foundation, San Mateo.

Two Million Toll

The worst automobile accident toll in the nation's history, more than two million casualties, was recorded in 1953, according to figures released by the Travelers Insurance Companies.

Traffic deaths totaled 38,500, an increase of over 900 over 1952. The injury count reached 2,140,000 compared to 2,090,000 for the previous year. The totals are statistics from "The Passing Scene," 20th in an annual series of traffic accident data booklets published by the Travelers. Accident facts from every state in the country are collected and analyzed for the publication by Travelers Statisticians.

Excessive speed was the most dangerous driving mistake in 1953. Speed killed 13,870 persons and injured more than 600,000. Drivers under 25 years of age were involved in almost 25 percent of the year's fatal accidents although they constitute only about 15 percent of the total of all drivers. Week end crashes account for 15,000 killed and 800,000 hurt during 1953.

Forty-one percent of the deaths and 36 percent of the injuries occurred on Saturdays and Sundays last year.

The pedestrian record reflected the third consecutive year of improvement. Booklet figures show pedestrian casualties reduced by 50 to 8,600. Crossing between intersections "jay walking" still is the chief cause of pedestrian deaths and injuries.

"The Passing Scene" also reports that three out of four 1953 auto accidents happen to passenger cars driving in clear weather on dry roads. Eighty percent of vehicles involved in fatal accidents were traveling straight ahead. Saturday was the most dangerous day of the week to drive. The year 1953 was the fourth consecutive year of increase in the death toll.

Accident Report
Total: Four
Breakdown: Four Auto-Auto.
Injuries: One Female.

December. Tickets will be distributed to the membership after September 15 for distribution to the public. Forty-four clubs will participate in this event and the money that is made on this project after expenses are paid will go into the health and welfare fund.

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello Neighbors:

Another week in the month of August has passed leaving just four more weeks until the schoolbells ring. Isn't that a happy thought? Or is it? People are still having vacations and going and coming from interesting places. Have lots of news for you so had better get on with it.

First of all I'm sure that all the neighbors will be glad to hear that Ginger Walton, the youngster who was so very badly burned while on a camping trip to Memorial Park is now off the critical list. She is still a very sick little girl but is now making progress. She will be in the hospital for a long time so as one neighbor to another how about some little cards to let her know we are all thinking about her. Just send them to Miss Lillian Walton, San Mateo Community hospital—Children's Ward and they will help to not only pass the time away but also to let her know we all miss her.

All vacations have their high points but when the biggest event of all comes when you are home that is something. Everyone dreams about the big ones and with most fishermen that is always the one that gets away. Not so with Raymond Brush of Niantic avenue. Last Wednesday he went to Thornton beach and believe it or not comes home with a Bass three feet long and over 15 lbs. He has pictures to prove it to all who were not fortunate enough to see the fish.

Currently enjoying their vacation at Boulder Creek are Mr. and Mrs. H. Markgraf of San Jose avenue. They left last week with Judy and David to get some sunshine if nothing else. They should run into some of the neighbors while there as that seems to be one of the most popular spots this year.

Items Of Interest
Having a grand time at Rio Nido on the Russian River are the twins of Los Olivos avenue—Bruce and Brian Eagen. They have looked forward to their vacation for a long time and plan lots of swimming and hikes to fill their days. They will be missed by all their friends who at the moment are raising the usual summer cry of "What is there to do?"

Congratulations are due on an anniversary this week. Mr. and Mrs. R. E. Negherbon former residents of our town are celebrating twenty-three years of marriage this week. Lots of things have happened since I first heard of their marriage so very long ago. They will celebrate the event with a quiet family dinner at which their son Petty Officer 3/c Richard Negherbon Jr. of the U.S. Navy will be able to attend along with his sister and two brothers, Janice, Mark and Mathew.

Among the well known folks vacationing in Boulder Creek this week are Mr. and Mrs. Tony Giammona of Los Banos avenue. Tony and Ruth are staying with Mr. and Mrs. Joe Larson who is equally at home there as here. Have fun folks and soak up lots of sun as there sure isn't any here.

For many of the neighbors who like to attend a whist game the place to go is the Pardini basement at 198 Crocker avenue on Thursday, August 19th. This event is being sponsored by the V.F.W. Aux. 2044 and as usual is a benefit whist for the boys. The time is 8:00 p.m. and many of your friends will be there.

Good news in the Blackstone family this week. Gene who had a sudden attack of appendicitis is now home from Mary's Help hospital where he spent a week following an emergency operation. All his friends and neighbors are most glad to welcome him home and hope to see him up and about soon.

Most of us don't like the usual Daly City type of summer weather but one of the visiting neighbors is really enjoying it. Mrs. Agnes Randolph of Drytown is spending the summer with her daughter Mrs. Alice Combs of Los Banos avenue. According to her Drytown is well named being just that and very hot in the summer.

More visitors for the folks this summer. Mr. and Mrs. George Santos of Willits street have as house guests Mr. and Mrs. Roy Goodier of Sioux City, Iowa. They are having a grand time seeing all the sights before returning home. Come back again folks, we are always glad to meet new neighbors.

Having a birthday on Thursday August 12th is our well known friend and neighbor Mrs. Rose Watson. While Rose had left us to live with her daughter down South she still is and always will be one of the nicest of neighbors. Happy birthday from all the folks. Rose, and come to see us some time.

Servicemen
Heard from Pvt. Roy Goodier of the U.S. Army this last week. Roy is in the 82nd Airborne Division currently stationed at Fort Bragg, North Carolina. He won't be there too much longer as he has orders for overseas duty. Just one more of the boys going away so we may feel safe at home.

Pvt. Paul A. Mitchell of the U.S.

Army was heard from too. Paul has resumed duty after his thirty day furlough on return from Korea. For awhile he was stationed at Fort Baker but last week he has moved to the Persidio. Paul has only three more months to go before his discharge and then there will be wedding bells and a new life for him.

Every time my phone rings I expect to hear the voice of A 3/c Edwin L. McDonnell of the U.S. Air Force. Mac will be home soon on rotation from Johnston Island in the South Pacific where he has spent the last year doing just plain counting the days until time to come home. Life on Johnston is very much on the monotonous side even for a radio operator and Mac also has wedding bells in mind on his return stateside. Mac will still have two years to serve but he hopes that it will be spent someplace at home. So do we.

Spending their weekend leaves at Rio Nido on the Russian River are two of the fellows in the service. Pvt. James J. Jastrumski of the U.S. Army and Seaman Bill Beecher of the U.S. Navy took off for two days of fun in the sun. Of course neither of these boys has to look for the sun as Bill is stationed at Moffett Field in Sunnyvale and Jim is at Fort Ord where it is quite warm at the present time.

Among those who participated in "David's Parade" last Saturday were members of Company L of the 159th Infantry, National Guard. These are our boys and the only difference between them and David is that they have seen many parades. Among the fellows who belong to this unit are Jack Lewkowicz, Bill Brush, Le Roy Storm, and Dale Storm. One thing for sure—this was a lot shorter parade than the fellows were used to while on maneuvers at Camp Hunter Liggett first part of the summer.

Am also waiting to hear from an Airman from Amarillo Air Force Base who is supposed to stop and see me on his way overseas. I will meet him for the first time but it won't be the first time that I have welcomed a serviceman on his way overseas in my home and each and everyone of them have been wonderful boys. My life has really been enriched by these boys and I hope they keep coming. We are waiting for a 2/c Paul Johnson and will be most happy to see him.

News And Views

One way to have a relaxing vacation is to take off by oneself. Mrs. Pat Arnado has taken off for Los Angeles for a week and intends to spend it just visiting family and friends. The men in her life (husband and son) probably had a better time baching it than if they went along. Wonder what the house looked like when Pat got home?

Among those who participated in "David's Parade" last Saturday were members of Blackhawk Patrol—Troop 243 Boy Scouts of Daly City. Boys that marched were—Eicheal Brush, Patrol leader—Irving Clemon Asst. Patrol leader—John Mahoney—Ronald Sturm—Robert Massei and Gilbert Merino. This patrol is one of the most active in the troop having been on many of their required hikes plus many that were not required.

Among those who have taken off to bring home a deer is one of the most excited young men in town. Louie Cooper was just presented with his own deer rifle and he and his pal Gene Spanich took off for the tall timber. Last week Louie spent his time picking pears but I'm sure that this week will bring far more fun. Good hunting, Louie, and be sure it doesn't wear a red hat before you go bang bang.

Enjoying a well earned two week's vacation at the Stumble Inn in Felton are Mr. and Mrs. John Rowan and family—Linda and Dolores. Of course grandma and grandpa Maud and Art are there too and a good time will be had by all as per usual.

The father of one of the neighbors has been very ill lately. Mr. Ed Emerson who is one of the most wonderful of fathers is just not "feeling his best." It doesn't help either that he can't make the trip to Parks Air Force Base to see his grand nephew A 3/c Edward F. Harper off for Japan. Ed is just not up to the ride. When one has lived as long as Ed has (78 years) each good-bye is doubly hard. We all hope that the welcome home in the year to come will be a much happier day.

The ladies of the Eagle's Aux. 1848 have one of the nicest and most worthy of projects on their current calendar. They have adopted a family of eight children in need of everything that children could need or want. The chairman, Mrs. Freda Pederson has secured the name of the needy family who name naturally is withheld and they are really going all out to get the necessary as well as a few extra things for children whose ages range from Boys—14, 12, 11, 9, and Girls 10, 7, and 3 years. Prominent Former Communist Speaks At Church Tonight

Mrs. Heien W. Birnie, noted ex-communicant, will be the guest speaker at Assembly of God church at Evergreen and Hanover streets tonight (Friday) at 7:30 p.m., according to Reverend W. Rutledge.

The speaker is the former district organizer for the Communist party for the entire Rocky Mountain states region. She also served as international labor defense organizer of the midwestern states for the party.

Mrs. Birnie, who is the mother of four children, lives in Long Beach. She was one of the key witnesses in the conviction of several top communist leaders in the country and is now devoting her life to arousing people of this nation against the dangers of communism.

Christianity is the only movement dynamic enough to compete with the world sweep of Communism, according to Mrs. Birnie. At the meeting tonight she will speak of her past experience with the party and tell of her conversion to Christianity.

If thou hadst known, even thou, at least in this thy day, the things which belong unto thy peace! but now they are hid from thine eyes. (Luke 19:42.)

For twenty years, a farmer regularly carted water for twenty miles for washing and drinking purposes. Then his son drilled for water near the house. At a depth of eighty feet he found it. All those years the water had been flowing under the farmer's own land.

How like so many today in other realms of life! A busy father plans some day to enjoy his family. Before he knows it, his children have grown up and gone. The living spring of his home has never really been tapped.

It may be someone reading this meditation has lost one year, ten

years, or twenty years of spiritual living. The reason may not be lack of intention to live a spiritual life. But to waste more time is folly, even dangerous. Today is the day to cast aside indifference. Today is the day to surrender to Christ, to begin to live the Christian life.

Prayer

O God, help us to see the value of worthwhile things—lovely flowers, companionship of friends, laughter of children, love of wife or husband. Above all, help us to see the King in His beauty. We pray in His name. Amen.

DAVID'S PARADE, dreamed up by the 13-year-old youngster on a Wednesday and carried off momentarily little more than a week later, "put Daly City on the map." Editorial and pictorial coverage were accorded the event in handsome proportions, and it

wasn't only the Bay Area's daily press that told the story. One television program and numerous radio stations carried the human interest yarn about a young boy "who had always wanted his own parade." TIMES reporter Nancy Lamb wrote the

original story about David Steward and his fabulous dream. That story, coupled with the enterprise of young David, culminated in the "biggest and bestest" community event Daly City has seen in many a day.

"LITTLE MISS DALY CITY." 3-year-old Robin Ramus proudly shows her trophy which had just been awarded her by David Steward, prominent Daly City citizen. David crowned the

daughter of Mr. and Mrs. Victor Ramus with a rosebud garland after she was chosen queen by Mayor Joe Verducci and City council members who acted as a board of review for "David's

parade." Sitting below David and Robin on the shiny, new red fire engine which doubled as a speaker's stand for the occasion, are "Little Miss Daly City" princesses. photo by Westlake Studio

THE NAVY AND NATIONAL GUARD join ranks to make a boy's dream come true. Shown here in this shot are the Navy Electronic school band from Treasure Island and the Vista

Grande National Guard 55-man marching unit and color guard. Both organizations drew "oohs and ahhs" from spectators as they followed Grand Marshall David through the streets of

Westlake on Saturday afternoon. Men in the two groups, giving up free time, volunteered to enter "David's Parade" to insure its success. THE RECORD photo

Bocci Fines Driver \$100 In Court Case

A San Francisco man who was picked up here last May 17 and charged with four counts came to trial yesterday (Thursday) on a bench warrant. Judge Thomas L. Bocci fined him \$100 or five days in the county jail for driving while under the influence of a sedative.

Rodney C. Hake, 37, construction engineer of 644 Laguna Honda avenue, San Francisco, was originally charged with drunken driving, being without a driver's license, following too closely behind another car and driving while under the influence of narcotics.

Hake at first pled not guilty to all charges and demanded a jury trial. His attorney appeared on July 27 when date for trial was set, waived jury trial and insisted that a judge try the case. New trial was set for August 3.

On August 3 Hake failed to appear in court and bail of \$250 was forfeited.

The engineer was picked up on a bench warrant on August 10. Forfeiture was set aside since bond companies are granted a 90-day grace period in which persons failing to appear may be brought in.

Yesterday in court Hake pled guilty to the charge of driving while under the influence of narcotics. Michael Haun served as Hake's attorney.

Also on the Municipal court agenda yesterday was continuance of arraignment until August 27 on the case of F. J. Sullivan, 810 Fulton street, San Francisco. Sullivan was picked up on July 27 on a charge of drunk driving on Junipero Serra boulevard. Police said that he was traveling north at a fast rate of speed and that he flunked a sobriety test.

Continuance also was granted to Carlton C. Willard, 2311 Cecilia avenue, San Francisco. Willard is scheduled to appear for arraignment next Thursday at 10 a.m. Willard, 54, teamster, was picked up by local police on a charge of drunk driving on Hillside and Mission streets August 10. He was released on \$250 bail.

Merced Post Plans Second Youth Dance

Commander Dennis Dunn of Lake Merced Post 9921, Veterans of Foreign Wars, Colma, announced the planning of the second annual youth guidance dance to be held at the Daly City Memorial building on Saturday, September 18.

Past Commander Godfrey Woods has been appointed chairman of this activity. Commander Dunn pointed out that last year's dance was one of the most successful held in the Daly City-Colma area. Over 500 people attended the dance and everyone was pleased with the fine music and congenial atmosphere.

Approximately \$700 was spent last year for youth activities in the Daly City-Colma area. A new boy scout troop was organized; funds were donated to Cub Scouts and to the national organization of the Boy Scouts.

In addition, the Post held teenage dances every month at the Broadmoor Village Community center. The small fry were not forgotten, they had their Saturday evening shows and enjoyed ice cream, soda pop and candy as well as their favorite comedies and cowboys. All free.

Many other youth activities were sponsored by the Post and Auxiliary during the summer months. All the profits on last year's dance were spent during the past twelve months. In order to continue the program, the Post and its Auxiliary are now getting ready for their next Youth Activities Dance. Members of the Post and Auxiliary will be contacting residents and business men in the area and other interested persons in the area to help promote this affair.

Past Commander Woods is planning a few surprises which will make this dance one to remember and one not to miss. He asks everybody to circle September 18 on their calendar as VFW

Luncheon Aug. 24 To Honor Cong. Younger And Wife

Mrs. James B. Clark of El Granada is making final arrangements for the August 24 luncheon to be given by the San Mateo County Council of Republican Women in honor of Congressman and Mrs. J. Arthur Younger. The noon luncheon will be held at Frank Torres Beach motel at Montara.

Members living in the various area of the county are to contact their community chairmen for reservations and transportation. The early hour was decided upon according to Mrs. Russell Rahe, program chairman, in order that members and guests may hear Congressman Younger's report from Washington and still be home at a reasonably early hour in the afternoon.

Among those taking reservations are Mrs. C. E. Bried, Broadmoor, and Mrs. John Drye, Daly City.

Arts and Crafts

The kindergarten room at Jefferson Elementary school is the meeting place of many potential artists on Tuesday and Thursday afternoons. Here you will find about 75 children from the ages of 5 through 12 busily working on many projects.

Across the hall in another room, the younger children are making silhouettes of themselves under the able direction of Miss Lorine Pind-jack. If you were to study these silhouettes, you would find good likenesses of Andy Boly, Karen Weglin, Carol Moffet, Rosemarie Kavanaugh, Len Gordan, Carol Kay, Mary Nore, and Priscilla Farrell.

Back into the kindergarten room where the older children work, we find a zoo of animals developing. Peter Farrell is making a very realistic looking giraffe; Robin Frisch has made a life size dog; John Alexander has made a pink elephant; Fanny Rice is beginning a rabbit; Don Wolfinger has made a dog for his little sister; Eddie Gordan is planning to make a dog.

Another group is working on spatter paint design. They will make greeting cards or pictures. Some of these children are Joe Kavanaugh, Linda Gordan, and Richard Hillman.

Judy and Sandra Thiedman are wood burning some beautiful trays. Albert Conasvi and Carolyn Horn are making some wonderful pictures for the wall. Janice and Bill Beck are weaving colorful belts for themselves, while Janet Cyr and Sharon Bloom are making pyro

cord key chains for their mothers. Charles Miceli and Richard Garibaldi are woodburning some designs on cork coasters. Many of these children walk all the way from Broadmoor and work very industriously until 4 p.m.

Community Center
The annual skating party, always one of the highlights of the Recreation Department's summer program, ran true to form again this year as 150 youngsters turned out for the event. The skaters completed the outing by spending a happy two hours at playland.

The recreation department is tentatively formulating plans for a second boxing show to take place later this month. Anyone interested in this event should contact Frank Ingersoll or Joe Brown at the community center immediately. The community center youngsters are busily preparing for the coming Jr. Water Olympics which will be held Saturday at Jefferson High School Pool. Competition will be limited to two age groups for boys and the same number for girls.

The wrestling program at the community center is in such demand by younger Daly City boys that it will be necessary to teach the activity from 10:30-11:30 a.m. on Monday, Wednesday, and Friday to accommodate the over flow. The tumbling club, with its 40 odd members, will meet in the future on Tuesday and Thursday from 10 to 11 a.m.

Marchbanks Park
The hustle and bustle of "David's Parade" has caused a change of date for the "Vehicle Day." Many of the children were busy decorating their bicycles and

themselves for the Saturday parade and had to abandon their vehicle project. To make this a bigger success and in all fairness to the children, the date has been moved to Wednesday, August 18 at 11 a.m. Remember the date and get those vehicles ready.

Flying wheels and flying feet were the scene at the annual skating party sponsored by the Daly City recreation department.

Some of the beginners made a game counting their spills. Matt Jones scored seven. Tom Joyce merited a four, while Karl Jones gave up counting after the tenth fall. The thrills of the roller coaster were enjoyed by Anthony Stagnaro, Jim and Joe Kennedy and Barbara Jones. Rudy and Mike Ramirez, Bobby Golightly and Judy Larcher tested their skills through the mirror hall and the giant slide in the Fun House. The Marchbanks returned home exhausted but happy.

themselves for the Saturday parade and had to abandon their vehicle project. To make this a bigger success and in all fairness to the children, the date has been moved to Wednesday, August 18 at 11 a.m. Remember the date and get those vehicles ready.

Flying wheels and flying feet were the scene at the annual skating party sponsored by the Daly City recreation department.

Some of the beginners made a game counting their spills. Matt Jones scored seven. Tom Joyce merited a four, while Karl Jones gave up counting after the tenth fall. The thrills of the roller coaster were enjoyed by Anthony Stagnaro, Jim and Joe Kennedy and Barbara Jones. Rudy and Mike Ramirez, Bobby Golightly and Judy Larcher tested their skills through the mirror hall and the giant slide in the Fun House. The Marchbanks returned home exhausted but happy.

Resolution Ousts Fred Bertetta From Planning Com'n.

A resolution removing Fred Bertetta, long-time member of the Daly City planning commission, from his capacity in that body was passed unanimously by the city council Monday night.

No statement of reason was given with the resolution, which declared that "the office of Fred Bertetta on the Daly City planning commission be declared vacant."

Bertetta had been serving as chairman of the commission, and was one of its original members. He had recently been instrumental in preparing a subdivision ordinance for Daly City.

The indirect "firing" of Bertetta from the commission was believed to be the outcome of a heated session between Bertetta and councilmen recently.

The commissioner was accused by Councilman Edward Dennis of having "used his position to further his business interests."

Bertetta emphatically denied the claim and Dennis suggested that Councilmen Del Wilson and Michael De Bernardi be named as a committee of two to investigate the charges.

ning commission be declared vacant."

Bertetta had been serving as chairman of the commission, and was one of its original members. He had recently been instrumental in preparing a subdivision ordinance for Daly City.

The indirect "firing" of Bertetta from the commission was believed to be the outcome of a heated session between Bertetta and councilmen recently.

The commissioner was accused by Councilman Edward Dennis of having "used his position to further his business interests."

Bertetta emphatically denied the claim and Dennis suggested that Councilmen Del Wilson and Michael De Bernardi be named as a committee of two to investigate the charges.

BROADMOOR PIRATES TIE FOR LITTLE LEAGUE LEAD WITH WIN OVER BEAVERS

The high flying Broadmoor Pirates took the league leading Beavers into camp Saturday and beat them 5-1 in a hotly played little league contest.

The Pirates, by beating the Beavers, are now tied for league leadership with Santos No. 2 at six wins and one loss apiece, while the Beavers are now tied for third spot with Santos No. 2 and Sharp Park.

Earlier in the week, League Commissioner Lou Martin ruled that a protest filed by Beaver manager Oppermann against Santos No. 2 could not be upheld according to the rules.

Martin stated, "It puts the Beavers' chances in jeopardy, but the rule is clear on this type of protest involving umpires' decisions."

Pirate Phil Fair of recent no-hit no-run fame and teammate Paul Hanley currently one of the best short stops in the league, combined to hold the hustling Beaver in check. Fair allowed just three hits while Hanley handled two double plays on defense and six chances without an error. The vastly improved club of manager Al Harris got off to a one-run lead in the first frame as Don Harris doubled home Kelly Oliveira.

The Beaver tied the score up at 1-1 in the first inning as Ross Holmgren scored on a fielders choice play by Sonny Sarro. Fair pitched no-hit no-run ball for the remainder of the game until the last inning when Holmgren and Sonny Sarro both hit safely only to be erased on the base paths by the classy shortstop, Hanley of the Pirates.

The Pirates clinched the game in the fourth and fifth frame as they picked up a total of four runs on four hits. Pirate hitters were Don Harris, a triple and two doubles and Jav Berry, a single. Beaver Joe Millet was the losing pitcher as he allowed five hits and six walks.

In another extra inning contest, Dee's Associated trounced Holy Angels, 11-4. The game was all knotted up going into the seventh inning when Dee's hitters found the range and landed seven runs on four hits and four walks. The game featured good defensive work and good pitching. Dee's Associated had 14 hits. The winning pitcher was Paul Vaughn.

In other games Santos No. 2 just got by Brisbane 7-6 in a thriller played at Brisbane Park. Brisbane's pitcher Jim Carlson got himself into trouble in the fourth inning by walking three batters and allowing two hits. Poor defensive fielding allowed seven runs to score and that was all that was needed to beat the Tigers. The winning pitcher was Lefty Dick Reese who allowed eight hits, three walks and fanned nine batters. Leading hitters for Santos were Vick Kulik and Carl Venial.

Wm. Lagomarsino Easy Winner In DC Adult Softball

William Lagomarsino Realty, with eight wins, nary a defeat, easily copped the Daly City Adult Softball league which drew to a close last week.

In a four-way confusion for second place were Ralph's Cleaners, Daly City Fire Department, Gigli Plumbing and Colma Fire Department, each with 5-3 marks. Colma Fire Department has declared themselves out of the running.

In the playoffs among the top four, Ralph's defeated Gigli Wednesday, 9 to 8, in the first game of their best two out of three.

Permits will not be issued on a first come, first serve basis. A lottery will be held at 3 p.m. on August 21 and winners will be notified by mail. The number of permits for the public is 264 and the season is in three periods: September 18, 19; September 25, 26; October 2, 3. The type of hunt is antlerless.

Humboldt county's exhibit at the California State Fair, Sept. 2 through 12, will feature its splendid recreational attractions, plus dairy products, fruits and grains. An animated hunter and brown bear will be the central figures.

Top-seeded Lagomarsino drew a bye and will probably play next week against the winner of the Ralph's-Gigli series or Daly City firemen.

Daly City Speedster Sets Skate Record

Aided by one of the fastest starts in the game, a nine-year-old Daly City lass sped to a new national roller skating record in the 1/12 mile at the North American championships held in Denver recently.

Jean Ligouri, 257 Second avenue, clipped a tenth of a second off the former standard of 18.8 seconds, set by another Californian, Nadine Montague of Los Angeles in 1949 at Cleveland.

The fiery-haired young speedster, daughter of Mr. and Mrs. Fred Ligouri, in addition to posting a new record, almost came home with the national championship in her division.

On the 1/6 mile event, Jean was runner-up by a scant margin. The first and second place points gave her second place in the C division, a girls' speed contest.

Carol Arp, a Denver girl, narrowly beating Miss Ligouri in the 1/6 mile contest, was national champion in the division.

The young red head from Daly City had beaten the Denver youngster earlier in the trials for the 1/6 mile.

Jean gained renown for herself as a speed skater a few months back when she won the South West Regional Roller Skating Speed championship in Marysville.

She has only been speed skating a short time. Observers cite the child's fast start as the chief factor in making her a top racer.

In the nationals, Miss Ligouri represented Skateland at the Beach.

Bramble Slates Extra Sessions For Windbreakers

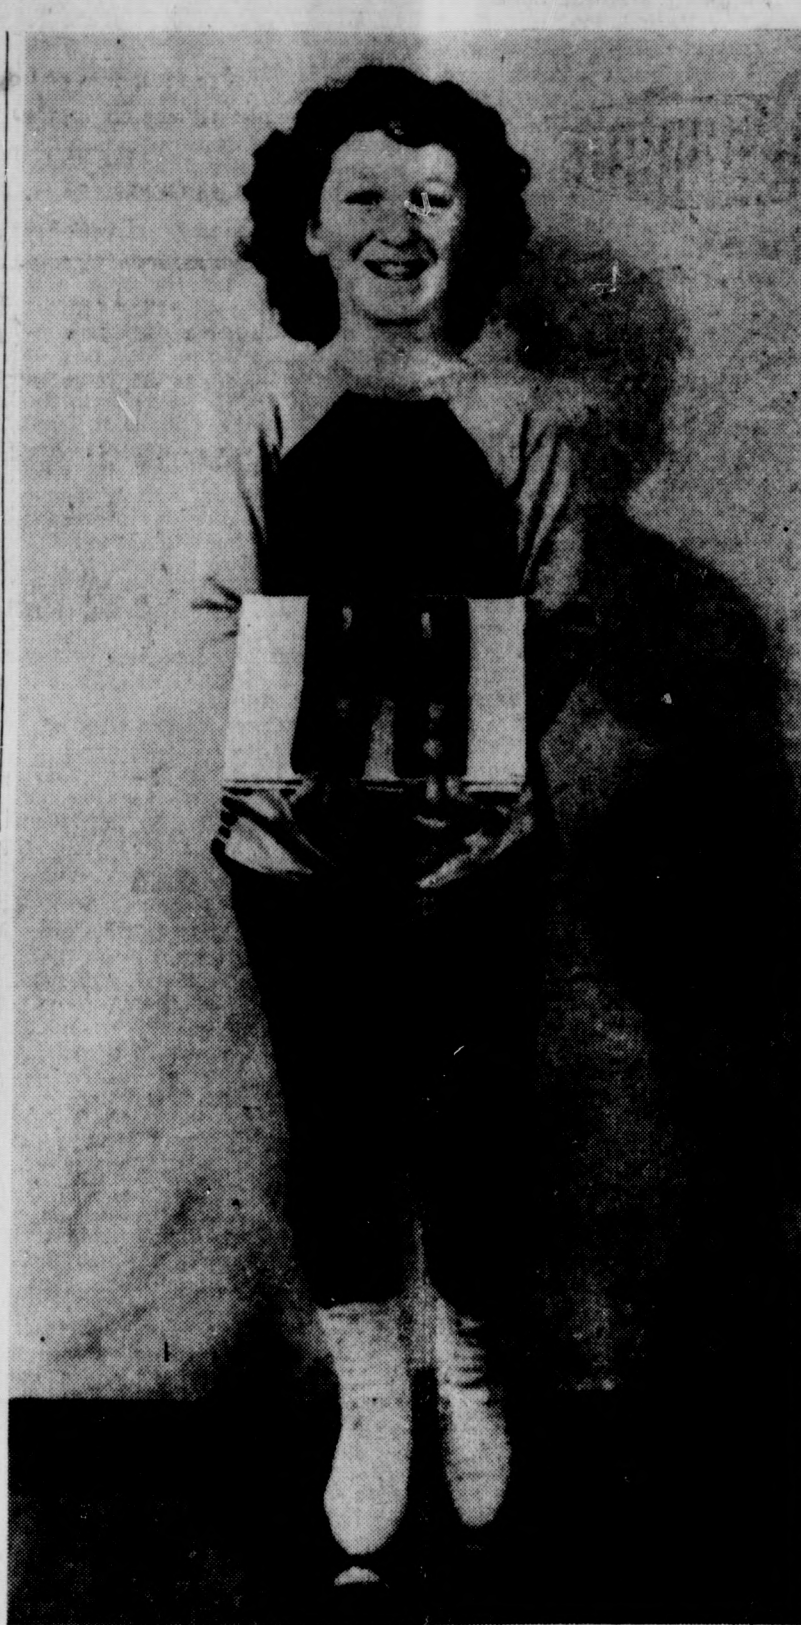

The Windbreakers A.C. completed their first week of practice with so many new faces showing up at Memorial Park in South City, that Coach Ben Bramble has assigned five sessions a week until the first game on August 28 to get the new gridders on to his tricky version of the split "up" and single wing formations. Bramble claims that it will take all of these practices plus a lot of luck to keep his envious record with the Windbreakers intact.

This year's schedule includes such giants as the Fort Ord Warriors, Martinez Alumni, San Leandro, Oakland Gaels, Santa Cruz Seahawks, Petaluma Leghorns, San Quentin and Madera. To meet this array of muscles, Bramble expects to have an experienced line averaging 210 pounds per man and a backfield of speed nearing the 200 mark.

Outstanding performers in the first week of drills were: Bob Dupont, a 240 pound tackle just out of the service; Jim Cherry at fullback; over from a year at Cal; and as usual Joe Abelar, the stalwart linebacker.

Schedule: August 28, Martinez Alumni at South City; September 4, San Leandro at South City; September 11, Oakland Gaels at South City; September 18, Fort Ord at Fort Ord; September 25, Santa Cruz at Santa Cruz; October 2, Madera at Madera; October 9, pending; October 16, San Quentin at San Quentin; October 23, Petaluma at South City; October 30, Madera at South City.

WHIZ ON WHEELS — Nine year-old Jean Ligouri, daughter of Mr. and Mrs. Fred Ligouri, sped to a new record in the 1/12 Roller Skating Championships recently. She chopped one-tenth of a second off the old standard of 18.8 seconds, and wound up second in the national standings in her division.

HOMES NINE WIN A PAIR OVER WEEKEND

Taking the lead in the first inning, Westlake Homes clung stubbornly to their advantage and outlasted Sonoma A.C., 10 to 7, in a practice game Sunday.

All but two men on the Westlake team hit safely, resulting in a total of 15 swats for the local club. Rich Lampe, John De Fabio and Rich Gentile topped the Homes batting barrage with three apiece.

Joe Blea and Myrl Craddick shared mound chores, allowing 12 hits between them. The Westlakers stretched their record in the Funston Night league to four wins, against two losses, Friday as they stomped San Francisco Naval Shipyard, 12 to 5.

The Home nine got 11 hits, only one more than the Navy men compiled off Craddick, but timely hitting gave the Daly City aggregation a decisive margin on the scoreboard.

The Homes outfit was scheduled to go last night (Thursday) against Johnnie's Billiards. A win would give them second place in the Funston circuit, which concludes this week.

DC MIDGETS SARTO AC WIN STREAK BM YANKS STOPPED BY TIBURON

Three Game Series Starts August 24

With the Midget Baseball league drawing to a close, it looks like the Daly City Midgets and the Broadmoor Yankees are a cinch to make the playoffs.

The Midgets have an unbeaten record while the Yankees lost a close game earlier the season to the Midgets. The play offs will be on the best two out of three games, with the first game set for August 24.

Santos No. 1 took an easy 16-3 win over a stubborn Sharp Park club. The Broadmoor Yankees shut out the Sharp Park No. 2 team, 15-0. Best game of the night was the Eagle and Giant tilt in which the Eagles won, 6-1. Winning pitcher was Jerry Mannes. He allowed one run and two hits. Leading sluggers for the Eagles were Matt Doran, Jerry Mannis, John Souza, Buddy Hess and Mike Simmons.

Car Boosters Steal Hub Caps At DC Show

Car boosters struck again last week at the Daly City theatre parking lot, Elbert D. Kelley, 701 Hanover street here, filed a complaint with police that he found the right hub caps missing from his car when he came out of the show on Friday night.

Kelley estimated that the hub caps were worth \$25.

ARCHERY TOURNAMENT IN FINAL WEEK

The archery tournament sponsored by the Daly City recreation department is now in its final week.

Top three leaders at the parks are:

Marchbank: Mike Cox, Tony Furger, Don Village. Frankfort: Manuel Villa, Tommy Waddell, Bert Rodriguez. Jefferson Elementary: Mike Blum, Wayne Gordon, Jerry Benefield.

Jefferson High: Ted Saumer, Butch Miller, Sonny Martinez. Westlake: Ron Nagy, Renny Bozzini, Skipper Smith.

Showing the greatest improvement are: Marchbank, Tony Furger; Frankfort, Manuel Villa; Jefferson Elementary, Don Neville; Jefferson High, David Duggan; Westlake, Howard McKee and George Cosmo.

Newcomers entering the tournament are as follows:

Marchbank: Richard Balletto, Blake Brunson, Rocky Brunson, Bobby Rasmussen, Kathy Rasmussen, Turpy Rasmussen, Robert Hall, Betty Reed, Tom Wallace, Tom Joyce.

Frankfort: Jessie Bolata, Robert Keft, Ronald Bontemel, Allen Baker.

Jefferson Elem.: Carol Dallas. Jefferson High: Ted Saumer, Sonny Martinez, Bruce Hix, Dennis Carroll, Kenneth Dean, Bill Hix.

Westlake: John Renati. Friday morning an "exciting time" was enjoyed by all who participated in archery at Jefferson high, recreation workers said. The group started at 25 yards from the target and as long as the group could hit the target or could shoot over it, the shooting line was moved back.

The line was moved so far back that by the time shooting for distance was called to an end, archers had their backs up against a fence about 70 yards from the target. The ages of the group ranged from 7, Bruce Hix, up to two who are just entering high school, Sonny Martinez and Butch Miller.

ANOTHER FIGHT NIGHT AT CENTER

Twenty leather-pushers will perform Friday, August 27, at the community center, with the gate receipts going to the Emergency Polio Fund, the recreation department announced today.

Ten boxing bouts will be presented beginning at 7:30 p.m.

Admission will be 75 cents for adults, 35 cents for children. Proceeds go to the polio campaign here, headed by Mrs. Sanford Vickers.

Frank Ingersoll and Joe Brown will supervise the show for the recreation department.

Riding on a four-game win streak, Sarto A.C. went for a fall Sunday as they were nosed out, 5-4, by Tiburon at the Marin county diamond.

The athletic clubbers looked like they were going to make it five straight when Sarto shortstop Gordie Gomes winged out a triple in the ninth frame to launch a three-run rally.

Going into the last canto with a 5-1 deficit, Gomes, who had three for four in the afternoon outing, unleashed his three bagger. First baseman Manuel Romero followed with a double, scoring Gomes. Outfielder Bill Slatt then stepped up and singled, scoring Romero. Lee La Rocca, catcher, was whiffed, as was Chuckler Don Hensen. After him came third baseman Bob Zucca, who singled, scoring Slatt.

With the tying run on the No. 2 bag and the winner on first, Ben Parodi hit a high bouncer to third, and the throw to first base snuffed the swift Parodi by inches, to end the game.

Lowell Creighton, working seven innings, gave up six hits, two walks and struck out four.

Sarto picked up 10 hits.

He had sufficient control of the opposition but lack of wielding support handed Tiburon the win. Five runs were scored against him due to fielding errors.

Hensen relieved Creighton and gave up three hits, no runs, no walks, and failed to register any strike outs.

The Sartomen journey to Mill Valley Sunday for a 2 p.m. contest.
